Pasta Sheeter with Mixer, Cutter, Ravioli Maker **KOMBY 160**

Automatic ravioli maker

Automatic pasta cutter

The Komby is an automatic pasta sheeter/laminator that produces a 160mm (6.3") sheet of pasta. The built-in mixer mixes the pasta dough and then runs it through its patented rollers to create a silky smooth sheet of pasta. The sheets can be ran through the full size ravioli maker creating different ravioli shapes and sizes by changing the ravioli mould. Cutting cassettes can be inserted to cut the pasta to various widths including popular cuts such as fettuccine and pappardelle. An adjustable timer automatically cuts the pasta to length.

FEATURES

- › High volume pasta Dough Sheeter/Laminator
- › Built-In Dough Mixer
- › Automatic Ravioli Maker with Interchangeable Ravioli Moulds
